Newly restored holiday home with stunning view to the famous Pedraforca-mountain

By the famous and iconic mountain of Pedraforca lies a beautiful Catalan holiday home by the name of Cal Pejent. Newly renovated in 2015, the charming house is especially notable for its **remarkable location and nature**, as Pedraforca and its exceptional shape rises up behind the house, allowing for an incredible view from the house. The location comes with a lot of other benefits as well: for instance, there is a lot of **stunning hiking routes** starting from the nearby village of Saldés.

The house is surrounded by **scenic nature and green grass areas** and the garden is as big as it gets. You can use the garden for football for instance, or just whatever you like. Furthermore, there is a **delicate pool** with a glass cover that can be removed during summer, which always provides an irreplaceable option for both **fun and relaxation**, especially for the smaller ones in the group. But if that shouldn't be enough, the neighbor has some very cute dogs and cats and even a couple of pigs that are walking around, that undoubtedly will be a very attractive activity for the children. Moreover, the house has a **covered terrace, where you can enjoy your meals** or just drink a glass of wine as you watch the children play in the garden.

The house consists of two floors, whereas the ground floor has 1 bedroom and the 1st floor has 3. All of the bedrooms are double rooms with double beds, except for the children's room upstairs, which has a single bed and a bunk bed. All of the rooms have a **beautiful view to the scenic landscape**.

Furthermore, there is a well-equipped kitchen on the ground floor, along with a bathroom and a panorama-view living room with a flat screen television as well as view to Pedraforca. Moving up to the upper floor, you will find, aside from the bedrooms, a bathroom with a bath tub as well as a **cozy terrace with a great view** and a sitting arrangement, where you can relax in the evening as you watch **the lovely Catalan sunset**. The house is decorated in a traditional Catalan style which lets you explore the Catalan culture even more.

Other nearby sights and activities include the **nearby, cozy village of Saldés** as well as a climbing course, a small railroad and a mine train, kayaks, a walk with a shepherd and his sheep, etc.
