Casa Ferrera is a beautifully situated house in green surroundings in the beginning of the Pyrenees. From the house, there are excellent conditions for hiking and many other outdoor activities.

At the ground floor you find a modern sitting room with flat screen TV and chimney. From the sitting room you enter the big room with a long dining table and a well-equipped kitchen with plenty of space to prepare your meals. Furthermore, there is a bathroom with washing machine at the ground floor.

At the first floor, there are five beautiful double rooms, all with bathrooms. The bathrooms have been beautifully designed correspondingly to the rooms. Two of the rooms can be extended to three-bed rooms. Under the roof, a cosy big room with eight beds has been made. Perfect if you group contains a lot of children, who want to sleep together. On this floor, there is another bathroom. From the first floor you have access to the upper terrace, which has been equipped with billiards, table-football and a picturesque view.

Outside, connected with the house there is a covered terrace with plenty of space for every one to eat. The rest of the property is covered by lawn, sloping down towards the lovely swimming pool secured with fence. By the way, it is very clean. The colour on the photos is due to the dark colour of the bottom.

From the house there are several paths. For instance there is an indicated path to another house, where you can buy fresh bread every day. Other paths give you some excellent nature experiences.

Trip to Barcelona or rent a holiday apartment before or after

During your stay in Catalonia, it is obvious to make a trip to the metropolis Barcelona. It takes from most houses only 1-1½ hours to drive in to the Catalan capitol know for Gaudi, Miró, The Ramblas, the Gothic neighbourhood, F.C. Barcelona, the beach and many other things. The previous summers, many of our guests have chosen to rent a **holiday apartment in Barcelona** before or after their stay in the beautiful Catalan countryside.
