Reviews from previous guests:

The welcome from the owners was very good. Nice touches like a bowl of fruit in the house already and plenty of all the things that are sometimes not well provided at self catering properties like toilet rolls, dishwashing commodities etc. This was the best large villa we have rented and thoroughly enjoyed our holiday.

Apartments in Barcelona or just a visit

The advantage of the geography of Catalonia is that Barcelona is situated in the middle. You can reach Barcelona in 1-1½ hours from most of our holiday homes, so it is easy to visit the city during your stay. In addition, many choose to combine a stay in the country side with an **apartment in Barcelona** before or after the vacation in one of our Spanish villas.
