Can de Quima-a cottage with room for 8+ 2 persons located in the middle of the Catalan vineyards

This holiday house is beautifully situated in a small valley with vineyards -nicely insulated from the noisy and unattractive mass tourism. Here you may have a **relaxing holiday** in a typical **rural and Catalan atmosphere** while having facilities like swimming pool, lavish furnishings and beautiful, spacious bedrooms.

Ferieboligen offers a mixture of the **comfortable and authentic**: You can, for instance, be in the **pool** and enjoy the warmth and at the same time have the view over the vineyards. Especially the pool is a facility that everyone in the travelgroup can benefit greatly from: While the children play you can cool off in the water when the sun is at its peak and the heat rises. In the pool area there are sun **loungers**, for getting the maximum out of **the southern summer**. Just behind the pool is a terrace with a round dining table where all meals can be enjoyed. Especially at dinner time when evening hours are cooler and comfortable.

The authenticity by a stay in this holiday home is that you live **peacefully close to the owners'vineyards**. During the season (August and September) you may help the owners with the annual vintage and get a glimpse of the life of a **Catalan wine grower**. Similarly, as guests in Ferieboligen, you have the opportunity to **purchase the owners'wine**, normally sold at **3-star Michelin restaurants in Barcelona**.

From the patio there is a door leading into the **beautiful common room** of the holiday home, where the entire holiday group can be together at the same time. Here's a nice sofa area, and behind the kitchen, two steps up, there is a oblong dining table. **The kitchen has plenty of tools and facilities** such as oven, dishwasher, fridge, freezer and microwave. In the kitchen a part of the rock is protruding as a **nice detail** in the house. In addition, the entire room-like all other rooms in the house- has a **beautiful wooden ceiling with crossbeams**.

If you walk up the stairs in the common room, you meet the beautiful and spacious bedrooms. There are **four double bedrooms**, three of them have double beds and one has twin beds. All the bedrooms are associated with their own bathroom (en suite).

Ferieboligen is close to the **very pleasant town 'Falset'**, where there are several small **delicatessen shops**, which are often worth a visit. You also find restaurants, supermarket and cafes.
