In 1100 meters altitude, situated on a hillside with wonderful views over the wavy landscape, lies **holiday house Can de Pirineus**. The surroundings are natural, beautiful and above all very green. Combine this with a **large swimming pool**, **many activities** for the kids in the holiday group and **indoor facilities in good quality**, and you will have the foundation for a great vacation.

Ferieboligen consists of four houses and apartments, all of which share the swimming pool of **57.5 m²** and the **large garden**. They are usually rented out separately, but it is possible to have it all **for yourself** - private swimming pool and private garden in the **beautiful surroundings**. The pool suits everyone in the holiday group. Right by the stairs into the water, there is a small, **very shallow pool**, where the smallest children can have fun in the water. The main pool is 1.5 m deep, enough for **playing and swimming**: A perfect place to be in the middle of the day when the sun is highest in the sky.

In the summer, **two sheep and several hens** go freely around on the grounds (they are shut in during the evenings and nights). The two quiet and friendly sheep, Petra and Cecilia, are for most children very **entertaining and exciting**. They generally graze on the land and help to keep the **garden neat and well groomed**. It also provides a good atmosphere to have these animals around.

This holiday home for 6 persons, **Ferieboligen - Noguer 6 + 3P**, has a size of **100 m²** and is perfect for a family. When you enter the house, you meet the common room: In one of the ends, there are **two comfortable sofas** and a **TV with a DVD-player**. In the middle of the living room, there is, very uniquely, a pretty fireplace. The dining table is connected to the sofa corner. The **high and beamed ceiling and the stone walls** create a **cozy, rural atmosphere**.

Behind the dining table, there is a **well-equipped kitchen**: Here you have many facilities that include oven, dishwasher, washing machine, and microwave oven. The kitchen is **new and modern** and there is nothing stopping you from cooking a great meal.

In the holiday home, there are **three double bedrooms**: two of them have double beds, while one has twin beds (perfect for kids). All bedrooms have their **own bathroom (en suite)**.

There are plenty of things to do: Firstly, there is a **soccer field** on the other side of the fence (right by the pool). Next, the owner has created a sort of "mini-golf" where you choose location of the holes. Finally, a small house serves as both an **activity room with table football, billiards and table tennis**. Outside, there is also a climbing frame with **slide and swings**.

For those who want to relax, there have been set up **hammocks** in the shade of two trees.
