In **1100 meters altitude**, situated on a **hillside with wonderful views** over the wavy landscape, lies holiday house **Can de Pirineus**. The surroundings are natural, beautiful and above all very green. Combine this with a **large swimming pool, many activities** for the kids in the holiday group and **indoor facilities in good quality**, and you will have the foundation for a great vacation.

Ferieboligen consists of four houses and apartments, all of which share the swimming pool of **57.5 m2 and the large garden**. They are usually rented out separately, but it is possible to have it **all for yourself** - private swimming pool and private garden in the **beautiful surroundings**.

The pool suits everyone in the holiday group. Right by the stairs into the water, there is a small, **very shallow pool**, where the smallest children can have fun in the water. The main pool is 1.5 m deep, enough for **playing and swimming**: A perfect place to be in the middle of the day when the sun is highest in the sky.

In the summer, **two sheep and several hens** go freely around on the grounds (they are shut in during the evenings and nights). The two quiet and friendly sheep, Petra and Cecilia, are for most children very **entertaining and exciting**. They generally graze on the land and help to keep the **garden neat and well groomed**. It also provides a good atmosphere to have these animals around.

This holiday house, **Ferieboligen - Grande**, is the largest on the property and can accommodate a total of **12 people** (and 4 additional extra beds). It has a size of **240 m2** and there is plenty of room for a holiday party with many children.

The ground floor is a **large common room**. Here, there is a **sofa area with a fireplace**, which, very uniquely, is located in the middle of it all. In addition, there is a **TV and DVD player**. Behind the sofa area, there is a **beautiful long table**, which is perfect for a great meal and the whole holiday group. Additionally, there are display cabinets, small furniture, and other details.

On the ground floor, there is also a **beautiful and special kitchen**: The ceiling here is curved and made of stone. There are plenty of **modern amenities** such as dishwasher, washing machine, microwave and oven, but the owners have still managed to keep an **authentic and rustic atmosphere** with help from the ceiling and stone walls.

On the first floor, there are **six double bedrooms**, where four of them have double beds and two have twin beds. There are **six bathrooms** in total - three of them are **en suite**.

There are plenty of things to do: Firstly, there is a **soccer field** on the other side of the fence (right by the pool). Next, the owner has created a sort of "**mini-golf**" where you choose location of the holes. Finally, a small house serves as both an **activity room with table football, billiards and table tennis**. Outside, there is also a climbing frame with **slide and swings**.

For those who want to relax, there have been set up **hammocks** in the shade of two trees.
