

H150 Masia dels Molineros - Floor Plan description

Masia dels Molineros is perfect house for families and for relaxation. Besides the house, you will have a big fenced property with the house, swimming pool with a covered terrace right next to the pool, and with easy access from the kitchen.

One level below, there is the big garden with fruit trees and a covered barbecue area with terrace and an extra toilet, so you will not have to go to the house. The village is 15 minutes walk away, and the beach 5 minutes by car. The perfect base for a nice holiday
